Another world is not just possible, it's happening. All around us individuals ranging from corporate executives to community leaders, from policy-makers to freelance professionals are pursuing ideas and initiatives for a better world. Hub Kings Cross is a unique ecosystem designed to enable these people to thrive.

It's a place to access innovation, knowledge, market opportunities, inspiration and experience. This beautiful listed building, one minute from Kings Cross station, offers an inspired place for meeting, working, innovating, learning and connecting.

Members of Hub Kings Cross enjoy access to:

- atmospheric, flexible work and meeting space.
- state of the art meeting room facilities, complete with cutting edge innovation tools such as writable glass walls and plasma screens.
- all the nuts and bolts you would expect from a highly resourced work and meeting space including print, fax, copying and catering facilities.

- exclusive free invitations to Hub events including debates, lectures, exhibitions, dinners, film and music events.
- an organic, fair-trade and locally sourced cafe and bar.
- the opportunity to hold private events for up to 140 people.
- a profile on our online virtual network offering access to a diverse international community of over 3000 people working at the forefront of the ethical economy.

Things to do. People to meet. Ideas to realise.

## **MEETING ROOMS**

The Glasshouse A spectacular hanging glass innovation cube designed specifically to help people to be creative. The room is perfect for brainstorms, away days and informal discussions. Facilities: Plasma screen, writable glass walls, teleconferencing, projector, DVD player, Wi-Fi. Capacity: 10-12 participants seated.

**The Boardroom** A stimulating glass fronted room overlooking the gallery space with classic boardroom styles seating. The room is ideal for formal meetings, presentations and seminars. Facilities: Plasma screen, writable glass walls, teleconferencing, projector, DVD player, Wi-Fi. Capacity: 8 to 18 participants seated.

The Study A compact clean space with writable white walls, designed for focused working. The room is ideal for brainstorms, small meetings, conducting interviews, or as a private work space. Facilities: Plasma screen, writable white walls, teleconferencing, Wi-Fi. Capacity: 4-6 participants seated.

## **EVENTS SPACES**

The Gallery A spectacular and spacious ground floor open space, characterised by unique architectural features and high ceiling. Perfect for exhibitions, lectures, showcases and film screenings. Facilities: Projector and large projector screen, DVD player, Wi-Fi, AV equipment, microphones, lectern,

controllable lighting and sound. Capacity: 70 people seated or 120 standing.

The Library A beautiful high ceilinged airy space with large light diffusing windows in the roof. Situated on the Ist floor, the library is a very adaptable space, suitable for seminars, creative meetings and small receptions. The library is often used in conjunction with the gallery, as a breakout or networking space. Facilities: plasma screens, DVD player, Wi-Fi, microphones, controllable lighting and sound. Capacity: 20 people seated or 30 standing.

## **PROGRAMME OF EVENTS**

Hub Kings Cross will be delivering a leading edge programme of events, designed to support, inspire and entertain.

Working with partners from Demos and nef to Cranfield University and TED, we'll be assembling a range of the most imaginative and compelling speakers and facilitators from around the UK and beyond, aligned by their reputation as amazing thinkers and doers and their desire to make the world a radically better place.

From debates, Q&A's, lectures, thought dinners to 'genius bars', documentary screenings, exhibitions and networking evenings, our events will aim to bring together unlikely allies, cut across societal and industry boundaries and challenge and inspire our members to create and lead new initiatives that drive the ethical economy.

Recent and upcoming events include:

Hub Debate | nef presents Fink Club
Fink Club topic: Time for well-being; how shopping
seduced us, and what we can do to reclaim our lives.

Hub Drinks Corporate Sustainability & Responsibility in China. A presentation and networking evening with Sam Lee, founder and CEO of InnoCSR.

Hub Lecture Caroline Lucas MEP on 'Peak Oil and Food Security - How much longer can Britain feed itself?'

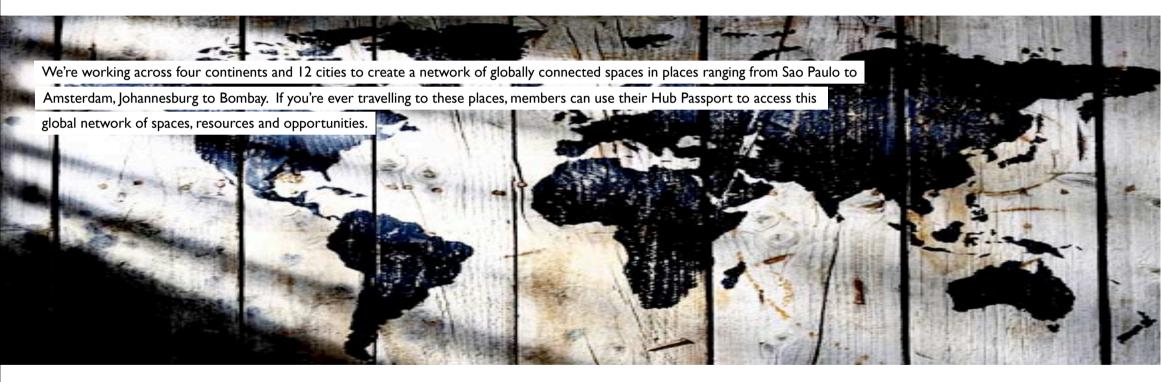

Hub Workshop Presented by TIE UK on Legal Issues to Start a Business in the UK.

Hub Celebration TED and Demos celebration of the TED \$100,000 prize winner.

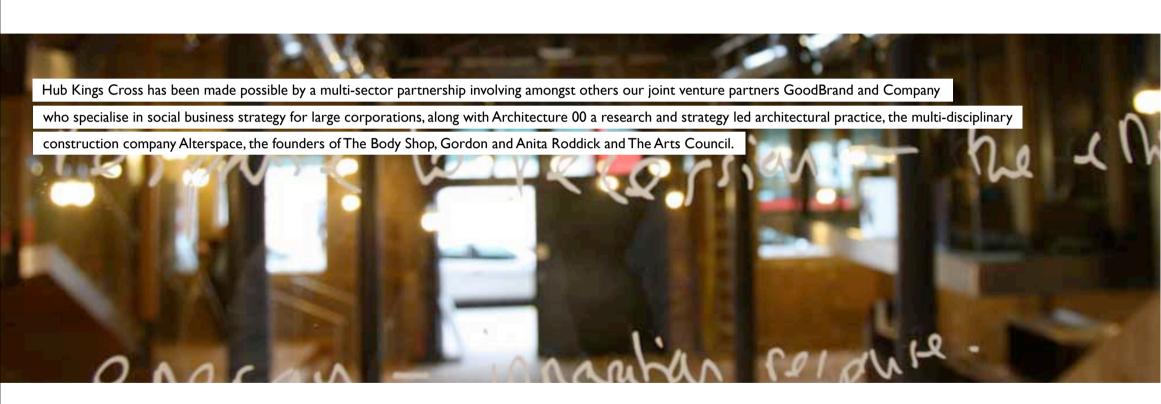

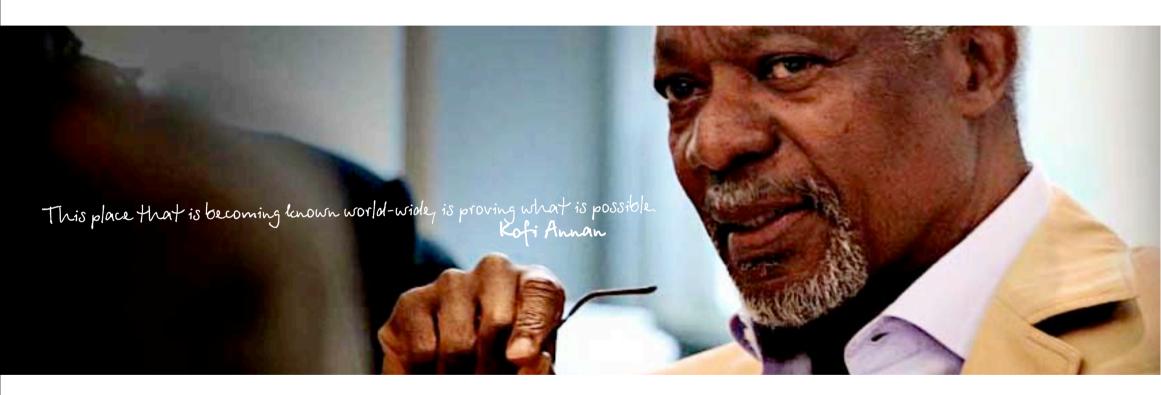

4 continents. 12 cities. London Sao Panlo. Bristol. Cairo. Johannesburg. Tel Aviv. ...
